

EPA/HUD Renovation, Repair and Painting Initial Training

March 6, 2012

Tuesday, March 6, 7:45 A.M. - 5:30 P.M.

Sponsored by the Montana Department of Public Health and Human Services
Low-Income Weatherization Program and
The Montana State University Extension Housing Program

This course was developed by the U.S. EPA, in collaboration with the U.S. Department of Housing and Urban Development (HUD) to train renovation, repair, and painting contractors how to work safely in housing with lead-based paint and comply with EPA's Renovation, Repair, and Painting (RRP) Rule, and HUD's Lead Safe Housing Rule.

Training Location - Bozeman, Montana

Montana Weatherization Training Center 705 Osterman Dr. Ste A, Bozeman, MT. From I-90 Bozeman Exit 309 proceed East on Frontage Rd (Highway 10) ½ mile to Osterman Dr. From Bozeman Main St. proceed East until Main turns into Frontage Rd (left lane). Go ½ mile past I-90 underpass to Osterman Dr.

Cost and Registration:

No-charge to sub-grantees and contractors with the Montana Low-Income Weatherization Program.
\$200/person for non-program participants.

Pre-registration is required for all attendees! - Please fill out registration form. Attendance is limited and strictly enforced. Please register only if you are committed to attending.
